WINTER DAZZLE

A bold, modern celebration where Shoreditch
style meets festive sparkle.

Join us at Motel Studios to celebrate Christmas 2025 with Winter Dazzle – a dazzling, sensory celebration, where light takes centre stage.

This year we are bringing the magic of illumination to Shoreditch. From the moment your guests arrive, they'll step into a glowing world of colour and creativity. Think dramatic lighting installation, shimmering projections, glowing cocktails and sparkling décor, all set within the raw, industrial beauty of Motel Studios.

Expect an electric mix of entertainment, from DJ's spinning under dynamic light shows to interactive moments that quite literally light up the room. Whether you're planning a chic seated dinner, a relaxed festive lunch, or a vibrant standing reception, Light Fantastic delivers a party atmosphere that's bold, immersive, and thoroughly modern.

With exposed brickwork, high ceilings, and a flexible open-plan layout, Motel Studios is made for parties with impact. Our team will work with you to create a bespoke experience, from food and drink to entertainment and finishing touches, ensuring a celebration your team will talk about well into the new year.
